Introduction and Structure

The following supplemental guidelines are intended to provide a working framework for the efficient and effective delivery of loans by "Seller" to ACH Trust for purchase by ACH Trust, under the terms and conditions of the ACH TRUST CORRESPONDENT LENDING PURCHASE AGREEMENT "Agreement" entered into between the parties.

Among other defined terms, Article I Definitions of the agreement define the following:

Guide or Seller Guide means all policies, procedures, and requirements of ACH Trust made available to the Seller and applicable to the acquisition of Mortgage Loans pursuant to this Agreement. ACH Trust may modify the Guide in part or in whole at any time with or without notice to Seller. The Guide, and all revisions thereto, are expressly incorporated herein by this reference and made a part of this Agreement in all respects, and shall be binding upon the parties; provided, however, that the Seller shall be entitled to sell Mortgage Loans to ACH Trust only if, and for so long as, Seller shall have been authorized to do so by ACH Trust in writing. Specific reference in this Agreement to particular provisions of the Guide and not to other provisions does not mean that those provisions of the Guide not specifically cited in this Agreement are not applicable. All terms used herein shall have the same meaning as such terms have in the Guide, unless the context clearly requires otherwise. The Guide will govern over this Agreement on matters that conflict or are inconsistent between the two documents.

Agency or Agencies means Fannie Mae (formerly known as the Federal National Mortgage Association, Federal Home Loan Mortgage Corporation ("Freddie Mac"), Government National Mortgage Association ("Ginnie Mae"), Federal Housing Administration ("FHA"), Veterans Administration ("VA"), Department of Housing and Urban Development ("HUD"), or any other federal or state agency which purchases or insures mortgage loans.

Agency Guidelines means the guidelines for eligible mortgage loans set forth by the Agencies.

These "Agency Guidelines", hereinafter referred to as Correspondent Guidelines or Guidelines are incorporated into and made a part of, the subject "Agreement".

Seller represents and warrants that all loans delivered to ACH Trust for purchase shall meet each and every requirement of the applicable agency. The applicable agency shall be that agency defined in the loan "Commitment" issued to Seller for individual loans.

Guideline Changes:

Each agency regularly updates eligible loan requirements. It is Sellers duty and responsibility to remain informed as to such changes to ensure all loans delivered to ACH Trust for purchase comply with all requirements of the respective "Agency". Any instances of non-compliance may be grounds for ACH Trust to decline to purchase loans, or to require Seller to repurchase sold loans.

Seller's failure to deliver loans fully compliant with the Guidelines may require Seller to repurchase sold loans, determined at ACH Trust sole discretion, under Article 5.1 of the Agreement which states in part:

"Repurchase and Remedies

Repurchase of Mortgage Loans by Seller. Seller agrees that upon written request Seller shall immediately repurchase, at the Repurchase Price, any Mortgage Loan sold to ACH Trust pursuant to this Agreement for any of the following reasons:

- (a) A breach of any of the Seller's representations, warranties, covenants or agreements made in this Agreement with respect to itself or such Mortgage Loan.
- (b) Failure by Seller to deliver to ACH Trust the proper Mortgage Loan Documents pursuant to Section 2.4 and the Guide.
- (c) ACH Trust reveals any evidence of fraud in the origination and closing of the Mortgage Loan by: i.) the Seller or its employees, directors, officers, agents and independent contractors (including without limitation, sellers or brokers of the Seller); or ii.) the Borrower.
- (d) If ACH Trust determines the Mortgage Loan is not eligible under the Mortgage Loan Program for which it was registered and delivered by the Seller.
- (e) Seller fails to observe or perform or breaches any of the representations, warranties, covenants or agreements contained in this Agreement, the Guide, or Agency Guidelines with respect to a particular Mortgage Loan.
- (f) If ACH Trust determines the Mortgage Loan to be a "High Cost Loan" or predatory or similar loan as defined under applicable Federal, state or local law.
- (g) ACH Trust is required to repurchase said Mortgage Loan from Fannie Mae, Freddie Mac, or any other third party investor for any reason involving the origination or closing of the Mortgage Loan."

In no instance shall the correspondent provide a goodbye letter to the client prior to buyer purchasing the loan.*

Buyer cannot process payments that are sent to us before the loan is set up on our servicing system, which may cause returned payments and thus creating additional customer service issues for your clients.

When preparing the goodbye letter please ensure that:

1. It contains the address you provided to the borrower at closing for sending payments to YOU, along with your toll free telephone number.
2. It must contain the date the last payment is due to your company, as well as the date the first payment is due to Buyer.
3. The goodbye letter should NOT be provided to the client at the time of closing.
4. It is prepared on your letterhead
5. Has appropriate language as required by RESPA describing a transfer

Purchase Dates:

Buyer will send the correspondent **client** a purchase advice via email **or they will receive notification the purchase advice is uploaded within our LOS** indicating that we purchased the loan.

For loans purchased between the 1st and the 14th day of the month, if the payment due on the first of that month is still outstanding at the time of purchase, buyer net funds that current month's payment from funds due to correspondent

For loans purchased on or after the 15th of the month, buyer net funds the next month's payment.

Any payment netted at purchase by buyer must be collected by Correspondent from the clients and retained to complete the accounting for the mortgage on its books. The correspondent is required to submit a current payment history as a Final Document once any and all payments have been received.

For example:

Original Loan Amount:	\$60,000
Interest Rate:	12%
Loan Term:	360 months
P & I	\$617.70
1st pay due date:	August 1
Purchase date:	August 20

Calculation of the Payment Adjustment:

$\$60,000 \text{ loan amount} \times 12\% = 7200/360 \text{ days} = 20.00 \text{ daily interest}$

$20.00 \times 30 \text{ days} = \$600.00 \text{ in interest}$

$\$617.70 \text{ (P \& I)} \text{ minus } \$600.00 \text{ (Interest)} = \$17.70 \text{ (the amount that goes to principal)}$

$\$60,000 \text{ loan amount} - \$17.70 = \$59,982.30 \text{ (adjusted principal balance)}$

$\$59,982.30$ will be the adjusted current balance of the loan reduced by one principal payment.

GENERAL:

Calculating Interest:

For purposes of calculating per diem interest, a 365 day calendar year used unlike the 360 day used for purposes of amortizing payments

Mortgagee Clause and Additional Hazard Insurance Requirements

Home Owners Insurance Mortgagee Clause should read as follows:

**Towne Mortgage Company
ISAOA, ATIMA
P.O. BOX 7063
Troy, MI 48007-7063**

**Attn: Insurance Department "*Insert Loan Number*"
Loan #'s are to be included in the mortgagee
clause**

-
- **Purchase** - All purchase transactions require a one-year homeowner's policy. Homeowners policy must at least cover the mortgage amount or 100% replacement cost.
 - **Refinance** - Towne requires that borrowers have at least 60 days remaining on the current policy as of the closing date. If less than 60 days remain, the borrower must prepay at least enough to meet the 60-day requirement.
 - All borrowers on the loan must be listed on policy.
 - Must be a full Homeowners policy (no applications, binders or quotes accepted)
 - The policy must contain the proper deductible for the program
 - **Conventional:** Mortgage deductible cannot exceed 5% of the face amount of insurance policy or \$5000.
 - **Condominiums:** Unless the master hazard includes "walls-in" coverage, minimum amount of "walls-in" (HO-6) coverage will be the lesser of 20% OR maximum allowed by the insurer. A letter from the insurer confirming the maximum amount allowed will be required if the HO-6 coverage falls below the 20% guideline.

FLOOD INSURANCE REQUIREMENTS

IMPORTANT: If the flood maps indicate the property is located in an SFHA and there is a dispute, the lender must obtain:

A final Letter of Map Amendment (LOMA) or a final Letter of Map Revision (LOMR) from FEMA that removes the property from the SFHA

Flood Insurance Requirements:

_____ **Acceptable Flood Insurance Policies:**

Flood insurance should be under a standard policy issued under NFIP (National Flood Insurance Program) and cannot be issued by a private flood insurance carrier (such as Lloyds of London)

_____ **Dwelling Coverage:**

Minimum coverage is the LESSOR of: 100% of the Insurable Value of Improvements as determined by the amount of insurance listed on the hazard policy (includes master hazard for condos) for dwelling coverage; OR the NFIP maximum for the particular type of building

- 1) Single Family 1-4 Unit = \$250,000
- 2) Attached Condos and PUDs with master insurance policies (\$250k multiplied by number of units in the building)

_____ **Outbuildings:**

Detached garage (IF USED OTHER THAN FOR PARKING SUCH AS FOR LIVING SPACE, BUSINESS OR FARMING), Sheds, Pole Barns, etc. with a value over \$5,000 require separate coverage). Value will be determined by the cost approach section of the appraisal if it is clearly defined; otherwise the flood insurance must establish the insurable value of the structure. If neither can be documented, then we may rely on the hazard policy to determine the insurable value of the structure.

_____ **Deductible:**

Maximum is \$5,000 on Conventional and \$1000 on Gov't Insured Loans (FHA or USDA) *** or the maximum allowed by NFIP as follows:

- a. Full risk Policy
 - i. If building coverage does not exceed \$100,000, then minimum deductible is \$1000; however for coverage in excess of \$100,000, the minimum is \$1,250.
- b. Pre-Firm Subsidized Policy
 - i. If building coverage does not exceed \$100,000, then minimum deductible is \$1500; however for coverage in excess of \$100,000, the minimum is \$2,000.

_____ **Flood Zone:**

Must be identified on policy (must match Flood Cert)

_____ **Other Requirements:**

- _____ Borrower name is correctly reflected
- _____ Property address matches USPS, Appraisal and System
- _____ Policy number is shown

- _____ Correct Loan Number is shown
- _____ Correct Mortgage Clause
- _____ Effective date is closing date (can be a few days prior)
- _____ Expiration date – 1 year policy paid needed (refinances need 60 days coverage at closing)
- _____ Premium – does not exceed amount used to qualify borrower
- _____ Paid receipt (evidence of policy being paid is also needed for refinances)
- _____ For Flood Insurance ONLY- Can have the application rather than policy/dec page
