

Homeowners MortgageBot LOS will have limited functionality as of March 1, 2018!

Wednesday, February 28th is the last day that new loans can be created in the Homeowners MortgageBot Loan Origination System.

On March 1, 2018, all new loans **must be created in TPO Connect. You will be unable to Final loans in MortgageBot.**

FAQ

Q1: How do I access my existing MortgageBot pipeline on March 1st?

- **Loans** that have been submitted to underwriting will continue to be processed within MortgageBot.
- Loans that **have not** been submitted to underwriting will migrate to TPO Connect.

Q2: What about “TBD” pre-approvals previously submitted on MortgageBot?

- “TBD” pre-approvals will migrate to TPO Connect.

Q3: What will the loan number be for loans moving to TPO Connect?

- Loan numbers will remain the same for all disclosed loans. New loan numbers will be issued for those that have not yet been disclosed.

Q4: What about documents previously uploaded to Imageflow on loans moving to TPO Connect?

- Documents will be moved over to the new loan.

By working together, we WILL accomplish more! Thank you for your continued support and partnership.

We encourage comments, suggestions, and questions.

Contact your Account Executive or Client Relations Representative and he/she will share with management as appropriate & a timely response will be provided by your account executive or client relations representative.
