Please review the liability section on your application to verify that it includes all debt obligations that exist or are expected to exist at or around the time of your closing.

It is illegal for a person to knowingly withhold debt obligation information regarding a credit application to a financial institution. Withholding such information is mortgage fraud, which is investigated by the Federal Bureau of Investigations (FBI), and is punishable by up to 30 years in federal prison.

I (we), acknowledge and certify that I (we) have no other debt obligations that are expected to exist at or around the time of this transaction closing beyond what I (we) provided on my (our) loan application and what is provided above on this document.
