## \*\*\*\*\* IMPORTANT NOTICE \*\*\*\*\*

### **TPO Connect–Uploading FNM 3.2 & Reissuing Credit**

Due to the 2018 changes to HMDA information, many Lending Operating Systems (LOS) software updates are causing conflicts in the formatting of the Fannie 3.2 files. Due to the conflicts in formatting, users are receiving errors when uploading to TPO Connect.

In an effort to better serve you, we have attached job aides for the temporary fix when uploading a loan to TPO Connect.

We have also attached the job aide to rectify the errors received when reissuing credit.

Please reach out to your Account Executive if you have any questions.

Thank you for your business
